2. I think that there should be a standing order that a copy of all Departmental circulars of in all Departments should be sent up to Govt to be filed here from time to time as they are issued — The copies should be on paper of prescribed size & quality & plain — not tracing. This is all the more necessary as the work of getting the Departmental Manuals has not been progressing satisfactorily, and

is a most important matter to insure —

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 4712/301 Bangalore 10th December 1908

From

H J BHABHA ESQ M A
Inspector General of Education in Mysore

To K S Chandrasekhara Iyer Esq BA BL
Secretary to the Government of H.H.
the Maharaja of Mysore,
General & Revenue Dept
Bangalore

SIR

With reference to your letter No 11856/32
422-07-6 dated 24th November 1908 inquiring whether the scheme for the introduction of Religious and Moral Instruction into Schools has been given effect to from 1st November 1908, I have the honour to report that the Department is doing its best to introduce an efficient type of Religious and Moral instruction into the Schools Already several schools including the Maharaja's College and the High Schools at Tumkur, Kolar and Hassan have provided for such instruction being given in all the grades,

and their experience as well, it is hoped, be useful in preparing a more detailed Schedule of studies applicable to all the Schools The Department has called on a conference of some of the important Educational Officers and the deliberations of this body are expected to give shape to the curricula which will come into operation next January

2. November is not the most opportune of months for introducing and carrying out new educational schemes The year's work is practically over then, the classes begin to break up, and examinations occupy all the attention of the pupils Still a good beginning has been made, and when the schools reopen after the holidays, there will be a more or less satisfactory course of studies ready for adoption

3 It is intended to extend the scheme to the Vernacular Schools too

I have the honour to be,
Sir,
Your most obedient servant,

C Reddy
Inspector General.
